RE: Union County Road #06 (330th Street)
In-Place Asphalt Recycling Work

To Whom It May Concern:

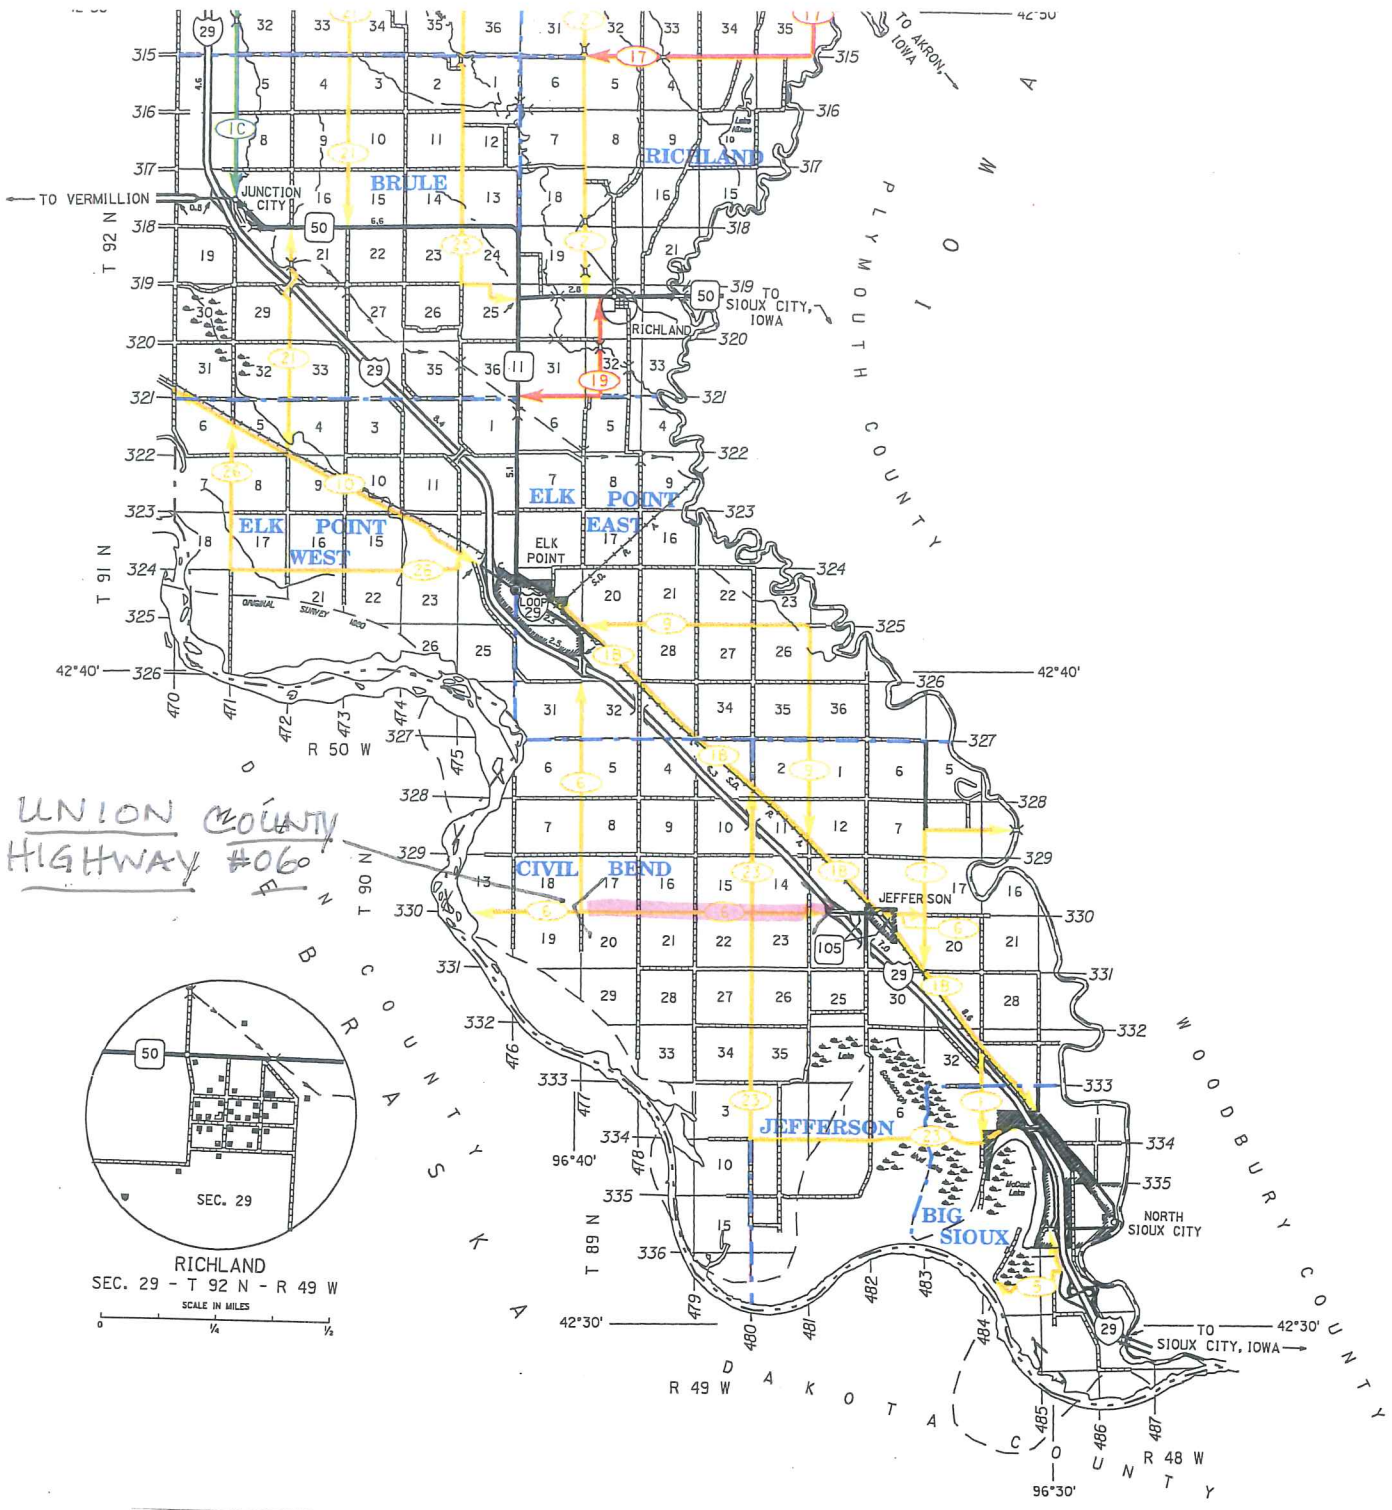

As a landowner/resident along Union County Road #06 (330th Street) we would like to inform you that on or about May 13, 2013 Union County Public Works Department, with the assistance of Midstates Reclamation, will be performing In-Place Asphalt Recycling on the east-west portion of Union County Road #06 (330th Street); Exit 9 off of I-29, thence 4.25 miles west. Union County will be doing the rest of the work on base and new asphalt mat. We have plans to accomplish the work as quickly as possible; at the same time we will make every effort to alleviate inconveniences to you as best we can. Please share this information with your neighbors, friends, and anyone else that you are aware of that uses this route.

Please contact our office if you have any questions or comments.

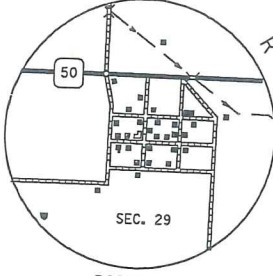

Sincerely,

Raymond K. Roggow

Union County Public Works Adm./EM
