Extension-travel authorization:

1.Citizenship Washington Focus Trip 4-H – I have been selected to attend as chaperone again this year (should be my last year). Dates are Saturday, July 9th to Sunday, July 17th; 2. 4-H Camp Bob Marshall – we are using a state van, but if there is more than 12 4-H members registered, we were wondering if I could use the county van also. Dates for this camp is June 20th-23rd in Custer, SD. 4-H members are paying \$50 each for fuel this year so that should offset the cost

Veteran Service Officer request: request Board approval to have Don Kniffen to cover the Veteran Service Office on Tuesday, May 10, through Thursday, June 2nd. I plan to visit my son, the Marine, at Camp Pendleton and then friends in Washington State and Canada.
