### Press Release - For Immediate Release

Elk Point, S.D. – State's Attorney Jerry A. Miller announces Alexis Tracy has been hired as Union County's new Deputy State's Attorney. Tracy, a Vermillion, SD resident, previously held the position as a contract attorney while Deputy State's Attorney, Jeff Rarick, was serving in Iraq for two terms. Tracy will begin her duties in Union County starting October 1, 2010, on a part-time basis until she completes her current obligations associated with her private law firm practice.

Jeff Rarick has been the Deputy State's Attorney here in Union County since September of 2004. Rarick has been reactivated and served two tours in Iraq during this time. He announced his resignation to take position as a Cadre Officer and professor with the ROTC program operating out of the University of South Dakota campus. Rarick stated that he has enjoyed his time here at Union County, serving the best interests of the public and the county. On September 30, 2010, the Commissioners accepted his resignation and thanked him for his years of service to the county as the deputy state's attorney, and his service to country as a military officer.
