Press Release - For Immediate Release

Elk Point, S.D. – State's Attorney Jerry A. Miller said today that Robin Treglia, a 50 year old North Sioux City, SD resident was sentenced on August 27, 2012 on one count of possession of controlled substance (Methamphetamine), a class four felony. Treglia received a suspended seven year sentence to the state penitentiary and seven years of supervised probation. Treglia was sentenced to sixty days (60) in the Union County Jail with work release. Treglia received a five hundred dollar fine for the felony charge. This is Treglia's third felony conviction.

This case was investigated by North Sioux City police officer Aaron Tyler. On January 6, 2012 at 11:14pm., Officer Tyler conducted a traffic stop which led to a consensual interview with Treglia. Triglia's son, Owen Gordon admitted to recent use of methamphetamine inside his father's residence. Gordon also had active warrants for his arrest. Officer Tyler requested and received a search warrant for Treglia's residence which he shared with his son. This investigation identified multiple subjects including Treglia's son for having recently used methamphetamine, and having occupied a place where drugs are present. (More press releases to follow on this investigation.)
