Law Enforcement Released Additional Information in Union County Case

PIERRE, S.D - Attorney General Marty Jackley, Union County Sheriff Dan Limoges and Union County States Attorney Jerry Miller confirm that the site of the recovered vehicle in Union County has been processed and items of potential evidentiary significance have been preserved. The site has been released by law enforcement.

Several items from the site will be tested and evaluated to determine further evidentiary value. Skeletal remains have been recovered as well as additional items, no further information will be released until a requested autopsy and further testing is complete.

Agencies assisting in this investigation are the Union County Sheriff's Office, Clay County Sheriff's Office, Vermillion Police Department, South Dakota Highway Patrol, Beresford Fire and Rescue, Department of Transportation, Union County Highway Maintenance, Pollman Excavation and Division of Criminal Investigation.
